

JULY 22-24
MINEENTRA 2020
MINING, ENGINEERING & TRANSPORT EXPO

EXPLORE. EXPAND. EXTRACT.

Towards a Shared Mining Vision

25
YEARS

Towards a Shared Mining Vision...

The country's top export sector – mining, is on a steady path to reaching US\$12 billion in output by 2023, a means to achieving a broader national vision of attaining Upper Middle-Income Status by 2030. This relies on the deliberate contribution and cooperation of all relevant stakeholders in ensuring that the vision is achieved in record time. As such, it is critical for industry players to: **explore** the most viable returns for its viable investments; **expand** industry's current scale of operations by removing barriers to the growth of the sector and **extract** value from successful new systems in order to fund further growth of the sector.

Mine Entra 2020 comes at an opportune time to support the development and growth of the industry. This milestone 25th edition of the show aims to pull the largest and most diverse mining, engineering, transport and construction service providers. The show will be held under the theme: **Explore. Expand. Extract – Towards a Shared Mining Vision**. It will also serve as a conduit for creating necessary platforms for dialogue and engagement for stakeholders across the mining value chain.

Be a part of the vision, participate in Mine Entra 2020 and:

- Connect with a broad network of decision makers all in the same venue
- Access new markets and forge new partnerships
- Increase your market share
- Engage with quality visitors and grow your client base
- Expose your brand to a wide, captive audience

Concurrent Events

Explore our wide range of content rich conferences, workshops and networking opportunities available at Mine Entra 2020!

Mine Entra Conference

Internationally acclaimed mining experts will be invited to speak on issues pertinent to the industry, particularly self-sponsored organisations that wish to offer solutions on challenges currently being faced in the sector.
To book your seat email: ibc@zitf.co.zw

Women in Mining Conference

This is a highly interactive platform that allows industry players to engage in deliberations that empower women and encourage increased female participation towards the sustainable development and growth of the mining industry.
To book your seat, email: market@zitf.co.zw

Young Professionals Forum

The mining sector needs a competent, innovative workforce that will positively contribute towards achieving a shared economic vision; as such, the Young Professionals Forum provides youth in the sector an opportunity to share experiences and ideas as well as create networks necessary for career advancement.
To book your seat email: pr1@zitf.co.zw

Small Scale Miners Conference

Stakeholders in the Artisanal and small-scale mining sector will also get the opportunity to interrogate legislation that affects players towards

developing and maximizing the contributions of small-scale miners. To book your seat email: zimbabweminersfederation@gmail.com or mapfumorudo@gmail.com

Mine Entra Charity Golf

Wind off the week with a networking opportunity that champions a worthy cause at the Mine Entra Charity Golf Challenge.
To play email golf@zitf.co.zw
